12 February 2013

Dear Year 12 Students and Parents,

On Thursday 21 February (Week 4) we are organising a **Year 12 STARR Day** – “Steps to a Better HSC: Developing your personal inventory for success”.

It will be held over some of recess and all of periods 2 & 3. Study periods are cancelled for these periods. If you have a permitted late start, you must be swiped in by 9:45 am.

**All** students must attend, and bring their laptops.

The focus of this time is you!!

The session will start in the School Hall with John Hegedus, Careers Adviser, followed by workshops on:

- **Creating Goals, Perusing Important Websites**
- **Coping with Stress Through Organisation**

In Week 5 (day to be confirmed) we will be organising a one-period-long workshop on **Essay Writing Skills**.

Previous years have found these workshops highly useful and will give you more tools to ensure a smooth lead up to the HSC. 😊

If you have any questions, please contact Ms Longman.
