From the Principal...

International Day was held on 21 March last term, which coincided with Harmony Day. Our school community raised a massive $11,000 towards our “Hands Across the Ocean” initiative. Special thanks to all parents and students for the magnificent support.

Our girls and three members of staff enjoyed a magnificent visit to Bali during the holidays and have returned with improved Indonesian speaking skills and many happy memories. Also, our Senior Concert Band and String Ensemble Tour to Gulgong/Mudgee was a great success.

Last Wednesday’s Athletics Carnival was a wonderful day - fabulous weather, great enthusiasm, participation and marvelous house spirit.

Next P&C Meeting is on Wednesday 21 May with a focus on the importance of understanding other cultures and will provide the opportunity to meet the Head Teacher Languages, Ed Kent who will also talk about the Bali visit.

Looking forward to seeing you on 21 May. Mia Kumar

Last year we gathered valuable data from our students and thought carefully about the extra-curricular activities and opportunities they may like to participate in for 2014. We have artists, writers, sportswomen, musicians, dancers, actors, singers and students with strong moral compasses who want to change the world.

To facilitate greater involvement of middle years learners in extra-curricular activities, we decided to have a Year 7 “No Homework Trial” for 2014. Students are not required to complete any homework for subjects, other than Mathematics. We do of course give them high quality assignments and assessment tasks (but not too many) and if students are absent from class, it is their responsibility to catch-up at home. We will survey parents, students and teachers at the end of Semester 1 to evaluate the success of the trial. The many extra-curricular activities for middle year learners include:

On Friday 9 May, four of our prefects (Lorna, Emma, Jaimee and Sharmyn), with Mrs Alvarado, Mr Wijanto and Mr Hilliard, represented our school at Epping Boys High School’s Camping for Cancer major fundraising event. The event was an attempt to raise awareness and funds for the Cancer Council. Along with representatives from 10 other schools, our girls engaged in an 18-hour relay around the school oval from the early evening until 12 noon the next day. The event was a great success, raising over $20 000 for this important charity, with our students and parents raising an incredible $1300. Thank you to everyone who contributed to this charity.

PREFECTS REPORT

By Landy Hu, Ellen Balomatis and Lorna Zhou

Hi girls, families and members of the BGHS Community. Welcome back to school! We hope you all had an enjoyable holiday and found time to relax and rejuvenate yourselves.

Term 1 was a fantastic and productive term for the prefects; we had the Year 7 and 8 Disco and it was a great success and raised over $500 for the school’s Hands Across the Ocean account. It was lovely to see Year 7 and 8 enjoying themselves and forming friendships through this event with students from Ashfield and Homebush Boys High Schools. A big thank you to Mrs Alvarado, the prefect representatives who helped out on the night and also the teachers and parents who volunteered their time to supervise. The disco would not have been able to run smoothly without the help of you all.

After a lengthy and well considered process and with the input of well thought out ideas, the prefect body spent first term designing a Mission Statement, which we believe
represents us as a student leadership body to the school. We felt it was important to have a statement that highlights the strength and stability of our prefect group, who will strive to uphold our school values and symbolise our school motto. The final outcome follows below and we feel it gives the prefect body guidance in better undertaking this leadership role in the school.

“Our aim is to be responsible and caring leaders of the Burwood Girls High School student body who work actively to promote a positive school spirit. We endeavor to celebrate the diversity of the school community and seek to develop a responsible, inclusive and unified student body that symbolises the school motto Not For Ourselves Alone.”

Until next time, Landy, Ellen and Lorna

INTERNATIONAL DAY

International day is a wonderful and enjoyable day as every student knows; this International Day was also a fabulous Day as always. All the food stalls and the wonderful concert that decorates the day!! It also did this year.

The food stalls were showing off their colourful delights and all the money that was made from the stalls was sent to the project “Hands Across The Ocean”. The Korean stall was the best this year! We have made up nearly $800 from the stall itself.

The highlight as always was the International Concert performed by the students. All the performers had a sparkling time on stage and the cultures were able to shine through the talented students that we have here in Burwood Girls High.

VISUAL ARTS

Sydney Biennale – Cockatoo Island

On Wednesday 14 May, a group of budding young artists visited the 19th Sydney Biennale at Cockatoo Island. Blessed with perfect sunny weather, these Year 10 Visual Arts students grappled with the varied works that constituted contemporary art and were snap happy, collecting much visual research for their next artwork.

Among the interactive and engaging works was the journey into the Internet on Callum Morton’s Google train. Students were also involved in a session of working out on Gerda Steiner & Jörg Lenzlinger’s gym equipment that was engulfed in playful shapes, strange contraptions and flora.

The fantastic photographs and experiences from this day are the impetus for a series of drawings and sculptures that these students will create in the coming weeks.

MUSIC - Encore!

In 2013, Lolita Emmanuel of Year 12 (2013) was selected to perform as part of the Board of Studies ENCORE Concert. Encore is a program of outstanding performances and compositions by students from the Higher School Certificate Music examinations. It represents the culmination of Lolita’s tireless and focused HSC performance preparation, and to be selected from a highly competitive field from across NSW indicates her exemplary level of skill.

Music students from Years 9 - 12 attended Encore on 24 March, in order to view a dazzling and professional concert of the State's best highly innovative compositions and sophisticated performances. Lolita was an absolute professional and delivered a highly accomplished performance of Concert Etude No.1 by Rakhov. She is a performer for BGHS to aspire to, and a role model in her professionalism.

Lolita is currently studying Bachelor of Music (Music Performance) at the Conservatorium of Music.

DUKE OF EDINBURGH PROGRAM

Throughout Term 1 Year 10 students involved in the Duke of Edinburgh program walked towards attaining their Bronze Award. Students trained their legs and navigation skills along the beautiful Coast Walk, while a section of the
Great North Walk provided more of a challenge. Our hikers had opportunities to feel proud after a day’s adventure, which may have included an unplanned detour and a river crossing. Congratulations to those involved on receiving their Bronze Award.

Deborah Segal and Guy McCulloch, DofE Coordinator

ULURU ART PRIZE
Marianna Ebersoll and Rosemary Fong (both Year 11) recently won prizes in an art competition “Visions of Uluru”, for their art inspired by last year’s “Big Red Rock Adventure”. Each student was awarded a prize pack of 10 CDs donated by Sony ATV Publishing Australia. Congratulations! Planning for the 2014 Uluru trip is already well underway. Another 55 BGHS students will be visiting The Rock in November.

Mark Dodshon, “Big Red Rock Adventure” Coordinator

TAS NEWS
There has been lots of events and goings on in TAS over the past few weeks.

The new Hospitality Kitchen is now fully operational as all the equipment has arrived and has been put into place. This is very exciting for the girls studying Food & Beverage – Café Skills.

As our kitchen now meets industry standard we look forward to reintroducing Hospitality Commercial Cookery for Year 11 in 2015.

YEAR 10 FIELD STUDY DAY #2
The students are eagerly awaiting FSD#2 on Friday 13 June. They will have the opportunity to participate in “Let’s Get Creative” workshops. TAS and Creative Arts will be offering numerous creative learning activity workshops. As each workshop has a limited number of places, prompt payment will help secure the student’s position.

Notes are to be returned to outside the TAS Staffroom. All monies to be paid to the Front Office by no later than Friday 30 May.

SUBJECT CONTRIBUTIONS. Thank you to parents who have paid their daughter’s TAS subject contributions, either in full or in instalments. It has been greatly appreciated. A friendly reminder that the next instalment is due on Friday 23 May. Contributions are payable at the front office. Payments can be made in person, over the phone or online through the BGHS website.

If you ever have any queries, please do not hesitate to contact me on 9747 3355 or 0423 236 666.
WOOLWORTHS "EARN AND LEARN" - 2013
A big THANK YOU to everyone who participated in the program last year. The TAS Department appreciated your involvement as the school earned valuable resources for the TAS Faculty.

NEWS FLASH!
On Tuesday 10 June 2014, 12 lucky students from Years 10, 11 and 12 will be selected to join a Master Chef Cooking Class with Jay Huxley. More details and information to follow (see poster).

ANZAC Day
On Sunday 13 April, the combined Concert and Senior Concert Marching Band and Drum Corps attended two commemorative ANZAC marches at Ashfield and Burwood. We were honoured to represent the school at these events and they were a good warm up for the city march later on in the holidays. We enjoyed ourselves and think that the public enjoyed hearing us play.

Burwood march
On 25 April Burwood Girls’ Senior Concert Band woke up at 6am to perform at the Croydon Park RSL Dawn Service. Feeling very tired and weary we quickly organised our seating arrangements. After waiting a good ten minutes before the service began we were given our cue to play. A range of three or four hymns were played in remembrance of the soldiers who fought for us at war. At the end of the service we received a free breakfast before hurrying off to our next march.

After having completed this 6am Dawn service we headed to school in preparation for the Sydney CBD ANZAC March. We got on our city bound buses filled with an abundance of instruments and students. We got off the bus and made our way through the crowded streets of the CBD until we came to our waiting place. Burwood GHS was number 62 out of the hundreds of soldiers, veterans and schools supporting our ANZACs on our day of remembrance.

BEP students at Hyde Park
As we patiently waited our turn to march off a man approached our drum major and scoffed “I’ve never heard of such a ridiculous thing as a female marching band” and walked off. I tell you this now as we proved him wrong. As we were called to fall in by our drum major this man watched with astonished eyes as with precision, dignity

Bep at Hyde Park
and pride we marched down toward the final waiting area before officially joining the precession.

Drum Corp rehearsing

Marching past the Cenotaph

We waited as the dreaded rain came, but it did not dampen our spirits. As we marched off past the Cenotaph in silence we could hear the crowd reeling as we approached George St. It was amazing to feel and witness first-hand pride of our nation. Veterans and soldiers thanked us and we were humbled to have been part of the commemoration of our ANZACs. It is not them who should be thanking us, but us who should be thanking them.

SCB & STRINGS GULGONG/MUDGEE TOUR

Day 1: On April 30, after having only been at school for one day in Term 2, both the Senior Concert Band and String Ensemble arrived at school at 6:00am (yes, 6 AM!). We packed our luggage into the bus and strapped our Instruments into their seats and we were off! The 4-5 hour bus trip was filled with many sing alongs and passing of lollies (despite the early hour of the morning).

We pulled into the town of Gulgong and were ushered into The Prince of Wales Theatre on the main road of town. We set up and began a 2-hour rehearsal in preparation of our later performances. After our rehearsal we made our way to our accommodation at The Red Hill Environmental Education Centre, where we scrambled to choose our perfect bunk beds!

After having a look around the main streets of Gulgong and restocking our personal lolly supplies, we returned to The Prince of Wales Theatre for an evening of storytelling and entertainment as we watched The Tales of Swag (swagman). We listened to the stories of Gulgong entailing the gold rush and the farmland surrounding the town as well as a few sing alongs to some Australian classics such as Click Go the Shears, Waltzing Matilda and of course I Still Call Australia Home. We even had the chance to do some acting and play traditional Indigenous instruments. It was a great night! We headed back to our accommodation and settled in for the night.

Day 2: Up at 7:00am for a full-on day! We performed at two primary schools. We were given a warm welcome and thunderous applause by the students we performed for. Hopefully having inspired some of them to join their school band with our Meet the Music segment, where BGHS students introduced their instruments individually. We did this at both schools and saw some bright eyes looking up at our very own golden Tuba!

After our performances we raced back to Red Hill and began preparation for the eagerly awaited BGHS SCB Tour Talent Show!! We joined into groups and hid in our rooms for hours, tirelessly preparing our mind-blowing acts. At 7pm we gathered in the dining hall and were greeted by an amazing performance by the (opening act) String Ensemble. After this the games began… girls fearlessly jumped on stage with comedic skits, dances, acrobatic routines, and singing groups! It was a truly amazing evening, which is always the pinnacle of tour every year. There was no sleep that night...

Day 3: The following morning, half asleep, we packed our bags and jumped on the bus to head to our final two performances. We were greeted by wide-eyed kindergarteners that clapped along as they were invited to take turns at conducting the band and playing percussion instruments. After this we met up with the String Ensemble at Gulgong Primary/High School. This was our last performance and by far the best as we had practised and performed our hearts out for the last two days! After having left our conductors at the school, driving past a few more times and eventually letting them back on, we began our long road back to School!

Huge thanks to Evan Guy, Jenny MacQueen and of course Mrs Browne and Mrs Staines. We could not do it without you.

All in all it was a successful band tour! Until next year ☺

Congratulations to Julia, Year 12, on her final BEP tour. Julia has been a long-standing, prominent member of the BEP. We wish her all the best for the future and the HSC!

SPORTS

THERE IS A NEW SYSTEM FOR ENROLLING IN TUESDAY SPORT

A few weeks before the end of term, all Year 8-11 students are sent an email from Ms Diakos with a unique code and instructions on how to complete their online sport choices (just like subject selections). Students are given a deadline by which these choices are to be made (generally 1-2 weeks).

After the cut-off date, the online system determines the best fit of students in sports according to maximum numbers that the venues have imposed on the school. In general, all students get either their first or second preferences each term.

Students who do not follow the procedure automatically get assigned a sport for the term without choice, which will not be changed.

Following this, the sport rolls are posted on the sports notice board and all students receive daily notices in Roll Call and emails to remind them to check the board for confirmation of their sport. It is the student’s responsibility to ensure they know what sport they have been enrolled in, the meeting time and place, where the venue is and who the teachers are.

The school website (under “Extra-curricular”, “Sport”) has the REC and GRADE sport permission notes for students to download, print and have signed by a parent or guardian.

All students receive daily notices in Roll Call and emails regarding the first day of sport, advising them when they must bring their permission note and money to school. Therefore it is of utmost importance that students regularly check their school emails.

It is a legal requirement that the school receives written permission prior to students being allowed to leave the school grounds. Therefore, students who do not bring in their permission note on the day will be issued a sport detention, which concludes at 3:00 pm that day.

Sports uniform is also of great importance. All students in Years 8-11 are expected to wear full sport uniform and correct shoes to school each Tuesday. No other tracksuit pants, shorts, tops or shoes are acceptable. Should there be an exceptional circumstance where a student’s sports uniform is unavailable, they are expected to wear full school uniform to school and bring a change of clothes to wear just for sport, accompanied with a note from home outlining the reason.

Students who do not wear the appropriate uniform are not allowed to leave the school grounds to represent our school and will receive a sport detention, from 1:10 - 3:00 pm that day.

KNOCKOUT SOCCER

Burwood GHS vs Galston HS

Last term the Burwood GHS Knockout Soccer Team competed in the first round against Galston High School. The team consisted of players from Yrs. 7-11 competing together for the first time in 2014. We worked well as a team connecting passes, communicating tactics and produced many opportunities to shoot at goal. It was a close game, BGHS scoring the first goal.

For the majority of the game it was 1-1, however, due to an unfortunate event Galston scored a penalty shot. The final score was 2-1.

It was hard to compete against a team which mostly consisted of Year 12 students, however we managed to match their intensity and aggressiveness making us the more dominant team for most of the game. We all made!
new friends and hopefully next year we will play more games in the tournament.
Ms Dalageorgos would like to thank all students who were part of the team. The girls worked well together and I look forward to working with you all next year.

OPENS KNOCKOUT NETBALL
Burwood GHS vs Cheltenham GHS
Round 3 of Knockout Netball was last Tuesday, the Opens Knockout Team went head to head with Cheltenham GHS to decide who goes through to the next round. Unfortunately we were not successful - the Cheltenham Girls netball team had a strong side and were too hard to beat. Burwood Girls, however, did pull together as a team and it was a good learning experience for everyone.
