Dear Parents/Carers

On Friday 13 June we are having our second Field Studies Day for this year. Year 12 will be spending their day with mathematics tutorials. Your daughter is one of the few students who have elected not to study maths for her HSC.

Your daughter is not required to attend school on that day and is authorized to stay at home and do private study.

Please complete the form below and return it to Ms Longman by Friday 6 June. Students who do not return the form and do not attend school on that day will be marked as an unexplained absent.

If you have any questions please contact me at the school on 97473224.
