All of the staff at Outdoor Education NSW are young, energetic and ready to give your daughter a positive and memorable experience. Outdoor Education NSW staff set high standards of safety and moral conduct and will be accompanied by teachers from your daughter’s school during all activities. They have a strict policy of ‘challenge by choice’, i.e. everyone is encouraged to give it their best, but no-one is forced to do anything. The program of activities chosen by your school is challenging, educational and lots of fun.

Year 9 Camp is a compulsory school activity. It is expected that all students will participate in a safe, friendly and inclusive manner. Students whose behaviour results in danger or distress to themselves or others may be excluded from some activities, have parents or principal contacted, or in extreme cases they may be sent home.

If you have decided to allow your daughter to participate in the program, it is important that the following are completed and returned BY FRIDAY 12 SEPTEMBER (Week 9):
1. Permission slip below - to your PDHPE teacher
