SUBJECT CHOICES
YEAR 8, 2015

In Year 8 you will study English, Mathematics, Science, Geography, PDHPE, Technology, one language and EITHER Visual Arts or Music.

Therefore the choices you have to make now are:
1. the language you would like to study for all of Year 8
2. whether you want to study Visual Arts or Music.

You will be using the Web Choice system by Edval Timetables to do your subject selections on-line. You will need to know your school internet password to be able to access your school email account. See Ms Diakos in the Maths Staffroom if you do not know yours.

Language
You will need to choose one of the following languages as your first choice and two others as your second and third choice.

Choose from: • Chinese • French • Indonesian • Italian • Japanese • Korean

If you intend to continue language as an elective in Years 9 & 10, it should preferably be the same language that you select in Year 8.

Visual Arts / Music
You must choose either Visual Arts OR Music in Year 8. If you choose Music in Year 8, you may need to choose a Visual Arts elective as one of your three elective choices in Years 9 & 10 to fulfil Board of Studies requirements. Exemption can be given by the Principal.

Selecting Subjects On-Line
You will be issued with your user name and a password via your DEC school email address (not home or personal email) on Wednesday 3 September. An example is shown in Image 1.
