20 August 2014

Dear Parents/Carers of Year 8 Students,

YEARS 8 SUBJECT SELECTIONS FOR YEAR 9 - 2015

We will be holding an Information Evening for Year 8 students about elective choices for Year 9, 2015 on Monday, 1 September 2014 from 7:00 pm – 8:00 pm in the School Hall.

Representatives from the faculties offering electives will be present to give a brief explanation of the electives. Ms O’Brien, Deputy Principal, will explain curriculum requirements and Mr Parker, Head Teacher Mathematics, will explain the structure of Mathematics courses in Year 9.

Students will be completing their subject selections “on-line”. This process will be explained at this time.

Elective choices are an important step in your daughter’s education, and we urge all Year 8 students and their parents/guardians to join us at this Information Evening on Monday, 1 September.

Yours sincerely

Janelle Gianotti
Year 8 Student Adviser

Karyn O’Brien
Deputy Principal

Mia Kumar
Principal
