TOUR OF THE SCHOOL

WELCOME TO BURWOOD GIRLS HIGH SCHOOL

BURWOOD GIRLS HIGH SCHOOL wants all students…

To take responsibility for their own learning.

To maximize their learning by:
• Exploring different ways of learning
• Thinking, questioning and reflecting
• Believing they can learn
• Setting higher standards
• Working well in groups
• Being good problem solvers, communicators and decision makers.

To respect the rights of others and recognise individual differences.

The purpose of this tour is to demonstrate how learning takes place in our school.

We will visit some classrooms where you are welcome to watch the lesson and talk to students.
