~ An Invitation ~

All Year 10 parents and caregivers are enthusiastically invited to attend the First Annual Burwood Girls High School FILM FESTIVAL during periods 2 & 3 (10:50am – 1:20 pm) on Wednesday 10th December 2014 in the school hall.

Film-makers will be dressed ‘for the Oscars’ and make an entry down the red carpet at approximately 11 am. There will be popcorn, ice-cream and cold drinks available.

Girls On Film celebrates the students’ work on film-making which has been their focus for Term 4 and the

culmination of the Year 10 English program, it is also an opportunity to demonstrate various concepts learned during the year. Students in small groups have made short films, often for the first time, and in the process learnt several new skills including scripting, storyboarding, filming and editing. Genres that you can expect to see are mystery, horror, crime, or thriller – you may even have even found yourselves part of the process!

We hope you will come along and support the girls’ creative efforts; it should be a memorable and entertaining event.
