Dear Parents and Carers,

I am writing to you to encourage you to make a P&C Levy in 2016. All students have been invoiced for the minimum amount of $25 with the options to contribute more outlined below.

The P&C contribution is a voluntary payment that provides a much needed additional school funding source. Your payment of the P&C Levy will make a significant difference to your child’s education as it is used to help the school provide enhanced educational resources and equipment, technology and academic prizes.

P&C Levies are also expended on improvement of the school grounds and the enhancement of the school’s natural environment. Parents can also contribute to maintenance of the grounds by attending working bees on dates to be advised by the P&C.

Your payment can easily be made by paying the invoiced amount and/or nominating an amount to contribute in the table below and adding it to any payment of school fees.

Parents may make payments between 8:30 am and 2:00 pm over the phone using a credit card, or ask your daughter to pay at the front office by cash, cheque or eftpos (debit or credit). Payments can also be made anytime on-line via our website.

The Burwood GHS P&C Association has a proud history of supporting the education and welfare of students and staff at our great school and, with your help, this tradition can continue.

Yours faithfully

Nick Miller
President, Burwood GHS P&C Association
