24 February 2016

Dear Parent/Carer,

A field study has been organised for **Year 10 Geography** students to visit The Rocks, Barangaroo and Darling Harbour on **Wednesday 9 March 2016**, to see the redevelopment of the area as a part of their study of the topic Urban Growth and Decline.

This field study is a **mandatory** part of their course and an assessment task is being based on the field study. Students who are sick on this day will need to arrange with their teacher an alternative assessment task.

Students will meet in the canteen for roll call at 8:45 am and travel by bus to the city. At the conclusion of the the field study, the students will be dismissed from school at approx. 3:15 pm.

Students must wear full school uniform. Due to the considerable amount of walking on the day however, students are permitted to wear comfortable **BLACK walking shoes** (no bright coloured shoes). This means that whilst **FULL school uniform** is compulsory on the day, students may wear footwear more appropriate to walking long distances.

Students are to bring their own lunch/drink/hat. The weather may not be as sunny as we might like and so students must wear warm clothing and bring an umbrella or rain coat. Students must bring a pen and a pencil and they will also need a camera from which they can later print the photos. This can be a digital camera, phone camera or iPod camera or simply a disposable camera.

The cost per student is $8.00, to be paid to the front office by 2:00 pm, Friday 4 March. Please bring **correct money** when paying.

Please return permission slip to the HSIE Staffroom or Geography teacher by Friday 4 March.

Yours sincerely

P. Simpson
Head Teacher HSIE

---

Please return permission slip to the HSIE Staffroom or Geography teacher and payment to the front office by 2:00 pm, Friday 4 March 2016. Please bring correct money.
