23 February 2016

YEAR 11 – FIELD STUDY DAY, 9 MARCH 2016

Dear Parent,

On Wednesday 9 March 2016, all Year 11 students will be taking part in a Field Study Day Activity “Crossroads Part B”.

Crossroads aims to help prepare senior students to lead and contribute to healthy, safe and meaningful lives which promote respect, responsibility, enjoyment, inclusion and social justice for self and others. This is Part B of the Crossroads program (Part A being the RYDA road safety day) and is a compulsory component of the Stage 6 syllabus.

Students will participate in four sessions on the day focusing on Safe Celebrations including:

- Alcohol-fuelled Violence
- Turning 18 and Celebrating Safely
- Alcohol and Other Drugs
- Making Positive Choices

These workshops will be conducted by the PDHPE staff and Head Teacher Wellbeing.

Students are to meet the teachers at 8:45 am outside the PE steps, and will be dismissed at 3:15 pm as normal.

Students wear full school uniform. Please bring pens, pencils, devices and lunch/drink.

If you have any questions regarding the Crossroads program, please contact the PDHPE Faculty.

Yours faithfully

M. Caltabiano
Head Teacher PDHPE
